

REP TEAM GUIDE

MADISON NICOLE PORTRAITS

Wedome!!

This is a quick guide with information regarding the team so you can be prepared and informed about what the 2021 Rep Team is all about!

I am so happy you are looking into applying the 2021 Rep Team! I'm not just saying that either. Everyone looking at this guide has something unique and one of a kind to add to this team. So don't be afraid to step out of your comfort zone here! This is a team built on genuine relationships, joy and the chance for you to make your senior year the best year yet! If you're on the fence about applying, I hope this guide pushes you to apply. This is an experience I believe in so much because of everything it offers to you! I have seen new friendships be built (between members and with me!), confidence soar and excitement about what is to come. I hope you allow this team to be apart of your senior year and I promise if you do, I will do everything I can to make it more amazing than ever!

What is your job as a rep?

The Madison Nicole Rep Team is one of the most highly sought after senior programs in the area and as a rep, you are the face of Madison Nicole Seniors! That means participating in group shoots, actively supporting Madison Nicole Portraits through social media posts & word of mouth, and getting referrals! It is as easy as that.

How do referrals work?

Referrals work through a cash back reward system. Each member has the chance to earn \$150 back throughout their time on the team. Each referral will earn you \$25 cash back and members can get up to 6 referrals. For a referral to count, they must use your name AT THE TIME of booking or BEFORE their session! If they mention your name after their session, the referral will not count. Participation in group sessions is important, the more content you post about your experience, the more referrals you will get!

MADISON NICOLE PORTRAITS

How do referrals work continued..

I highly recommend getting your referrals in early. Since I book a limited amount sessions per year, you will want to be sure your referrals can get a date! Referrals can also come from your parents as well. The key is to make sure they use your name at the time of booking. You will receive the cash you earned back through referrals at the start of December and May.

How does my senior session work?

You will pay for your senior session once accepted onto the team and have until April 1st to pay that fee. After that, you will choose a date on the calendar for your session! Simple as that!

How much does it cost to be on the team?

You will pay a one time fee for the price of your senior session. Rep Teams have to book Collection 2 (more information on my website under Senior Information & the “Senior Guide”), which is \$675. Being on the team allows you to earn \$150 which means you can get your senior session, plus extra perks from being on the team for \$525! The more you put into the team, the more you will get out of it, including cash back!

MADISON NICOLE PORTRAITS

What are the extra perks for being on the team?

A few of the perks include group shoots where you get digital images back on your own online gallery. Each group shoot will also include individual shots as well! A group shoot will take place before the end of your junior year and every season (summer, fall, winter, spring) to make sure you have lots of pictures throughout the year. You will also have the chance to connect with girls from all over and build new friendships. Another important perk is the chance to build confidence. Each session you attend is tailored to make this experience on the team unique and fulfilling! One of my favorites part of this team is getting to know you throughout the year and watch you grow. And of course as mentioned before, cash back which can lead to a discounted session!
